Study MBBS in Bangladesh

Are you dreaming of becoming a doctor? Do you want to study in a country that offers globally recognized & high-quality education at an affordable cost? Well, look no further than Bangladesh, as it has got you covered!

MBBS in Bangladesh is becoming increasingly popular among international students due to the country's advanced medical education system and recognition from top international organizations like the NMC and WHO.

So Why Study MBBS in Bangladesh?

Here are a Few Reasons:

Affordable Education	Global Recognition	Limited Eligibility Requirements	High Quality Education	Medium of Instruction	Entrance Exam Qualifications	Apt Course Duration
The MBBS Fees in Bangladesh costs \$32-54K, incl. hostel fees. Cheaper than other countries and ideal for medical students without breaking the bank.	There are 112 universities in Bangladesh offering the MBBS program, out of which 16 are approved by the MCI, and all are recognized and approved by WHO, ECFMG, IMED, USA, MCC, ACGME, and FAIMER.	To be eligible for MBBS in Bangladesh, you need to have a minimum aggregate of 65% in Physics, Chemistry, and Biology.	Bangladesh has some of the top medical colleges in the world, with modern infrastructure, experienced faculty, and advanced teaching methods.	Effortless communication as English is the primary language of instruction in medical colleges in Bangladesh.	NEET: It is compulsory to qualify for NEET for admission to MBBS in Bangladesh with minimum 35 percentile IELTS/TOFEL: You don't need to take IELTS or TOFEL for admission to MBBS in Bangladesh.	The duration of the MBBS course in Bangladesh is 5 years, followed by a practical experience via a 1-year internship.
